The Notice was posted on the Town's website and the sign board at the Town Hall on September 14, 2023. Town Clerk Schweikert had received one sealed bid. Supervisor Drozd opened the bids as follows:

Meyer Septic LLC
1703 Olean Road, South Wales, NY 14139 Bid \$315,000.00

Packet included signed AIS Certification, Qualifications Statement, Non-Collusive Bidding Certificate. Mr. Henning discussed the insurance and bond requirements and Mrs. Meyers advised that she has made initial contact with the providers and these could be obtained quickly.

Mr. Henning advised that Meyer Septic did not submit a bid on Alternate 1-Deduct: Furnish and install pre-packaged fiberglass duplex grinder pump station in place of pre-cast concrete station or Alternate 2-Furnish and install packaged aeration station.

Mr. Henning did a basic overview of the Environmental Facilities Corporation (EFC) requirements with regard to Minority and Women-owned Enterprises (MWBE) and also the American Iron Steel (AIS) requirements that any components be AIS compliant. If Meyer Septic is awarded the bid, MDA Consulting Engineers will work with them to make sure all requirements are met. Mrs. Meyer advised that they understand the necessity to start this project soon and they would be able to meet our timeline.

Mr. Henning will review the bid and be in contact with Supervisor Drozd early next week. Supervisor Drozd will call a Special Town Board meeting to award the bid if necessary. Supervisor Drozd closed the bid opening at 2:18 p.m.
