

HANDS-ON COMPUTER TRAINING

eBooks and eReaders

This workshop is designed as a practical, hands-on introduction to downloading eBooks from the library's website for use on personal electronic devices. The focus will be on the Nook, Kindle, iPad & Android devices. There will be a demonstration of the steps required to download and activate necessary software, along with tips to effectively search and browse our OverDrive catalog.

Saturday January 12th

10:30am-1:00pm

Call or stop by the library to register 716-592-7742

Skill Level: Advanced

Requirements: B&ECPL Library card, mouse and Internet skills, eDevice and any user names and passwords associated with it. Device must be charged and registered.

Registration required.

Free and Open to Library Patrons age 17 & above.
