

# WHEATGRASS & MICROGREENS

**SATURDAY APRIL 13TH @ 11AM**

**Microgreens are tiny vegetable greens that are nutritious and can be grown indoors. They are also very inexpensive to grow!.**

**Christine Henderson of Mystic Spouts will be here to show us how to grow them, the different kinds of microgreens, and the nutritional value of these tiny powerhouse plants!**

**Registration is required**

**Call 716-592-7742 or stop by to reserve your spot.**

**Hulbert Library of the Town of Concord  
18 Chapel Street  
Springville, NY 14141  
716-592-7742**
