

HANDS-ON COMPUTER TRAINING

eBooks and eReaders

This workshop is designed as a practical, hands-on introduction to downloading eBooks from the library's website for use on personal electronic devices. The focus will be on the Nook, Kindle, iPad & Android devices. There will be a demonstration of the steps required to download and activate necessary software, along with tips to effectively search and browse our OverDrive catalog.

**Tuesday
January 14th, 2020
1-3:30 pm
Call 716-592-7742
