## TOWN OF CONCORD LEGAL NOTICE

### PUBLIC SCOPING SESSION

Pursuant to the State Environmental Quality Review Act (SEQRA), the Town of Concord will hold a Public Scoping Session on Thursday, May 1, 2025 at 6:30 p.m., at the Concord Town Hall, 86 Franklin Street, Springville, NY 14141, to solicit public comment on the Draft Scoping document, prepared by the applicant, for the Proposed Solar Energy System Project by Concord PV, LLC. All interested persons are invited to attend and provide comments on the Draft Scoping Document for the Draft Environmental Impact Statement. The completed Scope will serve as the outline for what will be studied in the Environmental Impact Statement.

Documentation related to the application can be viewed at the Concord Town Hall, 86 Franklin Street, Springville, NY 14141, M-F, during regular business hours. A copy of the Draft Scoping Document is available for viewing at the Town Hall and at the following link:

<https://www.townofconcordny.com/legal-notice.php>. Questions and written comments related to the project can be directed to Darlene Schweikert, Town Clerk at [townclerk@townofconcordny.com](mailto:townclerk@townofconcordny.com) or 716-592-4948 and will be accepted through May 15, 2025.

Description of the Action: The proposed action involves construction of a 5,000 KW ground-mounted Large-Scale Solar Energy System on a portion of an existing parcel located on Springville-Boston Road in the Town of Concord, New York. The action includes but may not be limited to construction of an access road off of Springville-Boston Road, solar panel modules, transformers, fences, poles, and inverters. Upon completion, the proposed project will provide up to 5,000 KW of renewable power to the existing electrical grid via an interconnection point at a sub-transmission line near Boston-Springville Road. The array footprint (fenced area) will cover roughly 35.2 acres of the 100.2-acre site.

By Order of the Town Board

Darlene G. Schweikert, Town Clerk
