

The Concord Senior Center is closed till further notice. The Concord Van is only running for critical life saving appointments. If you have an appointment scheduled in April or May Please call & leave message & we will schedule it-hoping we will be up & running by then. If you or know of someone that need help-please call us -we have a list of people that will help. I check messages daily. Or you can email-Remember to check on your neighbors in this time of need- WE all must stay together & we can beat this.
